 Membership dues are \$5.00 per person, \$10.00 per family per year.

**MERCURY ALBERTA's commitment to privacy of information:** MERCURY ALBERTA will not sell or give your information for commercial interests or for third party marketing. The information you give to MERCURY ALBERTA will only be used for MERCURY ALBERTA's purposes, approved by the Board from time to time.

**Information Consent:** By joining Mercury Amateur Radio Association (ALBERTA) I agree to the collection and retention of my personal information for all purposes relating to MERCURY ALBERTA's operation as an association. Unless I have indicated to the contrary below, I also give my permission for the non-commercial distribution of my contact information in conjunction with the activities of MERCURY ALBERTA, in the form and at the times directed by the executive of MERCURY ALBERTA.

Exceptions as indicated below:

I do not wish my address and phone number to be included on a membership roster to be shared among MERCURY ALBERTA members.

I do not wish to be included on an emergency services roster which may be shared with those who might require ARES services such as police, city or town officials, emergency services committees, etc.

I do not wish to be included on other lists that may be distributed in support of MERCURY ALBERTA's activities.

To the Board of MERCURY ALBERTA: Please accept this application for membership in Mercury Amateur Radio Association for the current year.

Signed: \_\_\_\_\_

Please help MERCURY ALBERTA understand your ham radio activities by filling out the following grids:  
 I am currently a member of the following other ham radio organizations:

| Organization:                                | √ | Membership Number:           |
|--|---|------------------------------|
| Radio Amateurs of Canada (RAC)               |   |                              |
| American Radio Relay League (ARRL)           |   | XXXXXXXXXXXXXXXXXXXXXXXXXXXX |
| Calgary Amateur Radio Association (CARA)     |   | XXXXXXXXXXXXXXXXXXXXXXXXXXXX |
| Foothills Amateur Radio Society (FARS)       |   | XXXXXXXXXXXXXXXXXXXXXXXXXXXX |
| Southern Alberta Repeater Association (SARA) |   | XXXXXXXXXXXXXXXXXXXXXXXXXXXX |
|  |   | XXXXXXXXXXXXXXXXXXXXXXXXXXXX |
|  |   | XXXXXXXXXXXXXXXXXXXXXXXXXXXX |

I am currently active on the following bands:

| Ham Radio Bands | √ |       | √ |        | √ |     | √ |
|-----------------|---|-------|---|--------|---|-----|---|
| 160 m.          |   | 20 m. |   | 10 m.  |   | SSB |   |
| 80 m.           |   | 17 m. |   | 6 m.   |   | AM  |   |
| 40 m.           |   | 15 m. |   | 2 m.   |   | FM  |   |
| 30 m.           |   | 12 m. |   | 70 cm. |   | CW  |   |

I have the following Ham equipment:

---

---

I am able to assist with:

|                          |  |
|--------------------------|--|
| Emergency Communications |  |
| Field Day                |  |
| Repeaters                |  |
| Executive                |  |
| Nets                     |  |
|                          |  |

My current activity in Ham radio includes (check all that apply):

|                        |  |                                    |  |
|------------------------|--|------------------------------------|--|
| Service in Emergencies |  | Long Distance Communications       |  |
| DX Contesting          |  | Technical or Equipment Development |  |
| Rag Chewing            |  | Antenna Design and Construction    |  |
| VHF / UHF              |  |                                    |  |

I would like to become active in the following activities:

| <b>Activity:</b>                   | <b>What I need in order to get started:</b> |
|------------------------------------|---|
| Service in Emergencies             |   |
| DX Contesting                      |   |
| Rag Chewing                        |   |
| VHF / UHF                          |   |
| Long Distance Communications       |   |
| Technical or Equipment Development |   |
| Antenna Design and Construction    |   |

MERCURY ALBERTA may also want to know the following about me:

---

---

---

MERCURY ALBERTA could support me better in my ham radio activities if it would:
